2.6.1		Should any consumer be dissatisfied with the meter readings and desire the meter tested, arrangements will be made for such test to be undertaken by the Director of Engineering Services, upon application being made on a form to be obtained from the Directorate of Engineering Services and upon a deposit with the Office of the Chief Financial Officer of a fee, which fee will be refunded in the event of the meter being found to be over recording more than 3% faster on such test. Should the interval between successive readings exceed this tolerance, the actual average monthly consumption and the actual period will be used to calculate the charge.  Notwithstanding the reading of meters as provided in sub-paragraph (a) above, the Council reserves the right to render monthly accounts based on the average obtained over the past three (3) accounts or a lesser number if supply has not been taken for such a period, the adjustment in respect of the actual consumption to be made in a subsequent account.  A fee will be charged for reading a consumer's meter at the request of the consumer on a date other than that appointed by the Council.	457.89	64.11	522.00	508.77	71.23	580.00
