2.6.3	a.	<p>Consumers' meters will be read as far as possible at intervals not exceeding three (3) calendar months, provided that the Council may in its discretion cause some meters to be read monthly. In assessing the charges due in respect of any scale of the Water Tariff, the nominal average monthly consumption will be used and no allowance will be made should the intervals between the successive readings of the meter differ from three (3) calendar months in the case of quarterly readings or one (1) calendar month in the case of monthly readings by five (5) or fewer days. Should the interval between successive readings exceed this tolerance, the actual average monthly consumption and the actual period will be used to calculate the charge.</p>	347.04	396.00	371.33224	51.9865	423.3188	423.00

2.6.5	Consumers Outside Buffalo City Municipal Area Not Covered by a Special Agreement							
	a.	All water supplied to consumers outside the Buffalo City Municipal area will be at the discretion of the Council.						
	b.	Water will be supplied and charged at the standard prescribed tariff together with any surcharges or amendments which may be imposed from time to time, plus a 25% outside Municipal area charge.						
	c.	In the event of a special water rate being levied, consumers in this category will also be subject to the provisions of such special rate and shall pay a levy equivalent to such water rate.						
	d.	The provision of water supply from the Municipal mains to a single property outside the Municipal area will not be extended to any subsequent subdivision of such property; separate application will have to be submitted in respect of each such subdivision.						
	e.	The water supply will otherwise be provided in accordance with this Tariff and in terms of the Council's Water By-Law, promulgated under Provincial Notice No. 440 dated 20 October 1932, as amended.						
	Multi-Unit Development							
	a.	All Holiday Flats, time share units, bulk metered home owners association, occupational units and institutions may be bulk metered. In such cases the consumption to these complexes will be measured by a bulk meter/meters

	b.	In circumstances where the use of individual meters in a multi-unit development is not practical, the Director of Engineering Services may on receipt of a written application from the owners submit a report to Council setting out the reason for a waiver to be granted to this requirement of the Water Regulations.						
	c.	Existing multi-unit development that do not have individual meters and would be expensive to convert, and any multi-unit developments granted a waiver in terms of (b) shall pay the normal monthly service charge multiplied by the assessed number of units as if the complex was individually metered. * Current regulations require all new multi - unit developments to be individually metered and existing multi - unit developments to be converted to individual metering.

3.1.4		General In respect of properties and/or additional facilities which are connected to the Council's Drainage Scheme, the charge shall be the pro-rata amount of the annual charge levied according to the month during which it was connected. Such charges shall become due and payable within thirty (30) days from and after the date upon which the property and/or additional facility was connected to the Council's drainage system. In respect of connections for special conveniences during building operations, the charge shall be payable in advance. When the service to a property is disconnected, either wholly or partially, with the prior written consent of the Director of Engineering Services, the charges shall be adjusted proportionately on a monthly pro-rata basis and will exclude the month during which the disconnection is made. This will only apply provided the application is made in writing by the owner of the property within three (3) months from the date on which the service was disconnected. In regard to the availability charges levied in terms of Section VIII where the service is connected to a property, the annual charge levied shall be adjusted proportionately on a monthly pro-rata basis, provided the application is made in writing within three (3) months from the date on which the service was connected. If the abovementioned requirements are not complied with by the owner of the property concerned, adjustments of the charges will only be made with effect from 1st July of the year following the date on which written notification is given by the owner or his agent. In case any charge made or levied shall remain unpaid after three months from the date fixed by the Council for the payment thereof, interest thereon shall be charged and recovered by the Council for each month for which such charges remain unpaid. For the purpose of calculating interest, part of a month shall be deemed to be a month. The registered owner of the property in respect of which sewerage and sanitation charges are payable shall be primarily liable for payment thereof. If on the expiration of three (3) months from the date on which the charge became due and payable, the owner primarily liable has failed to pay such charge a demand in writing shall be served on him requiring him to pay the amount

	a.	Becomes the subsequent owner of the property concerned shall be liable for the charge for that year.						
	b.	Is or was the occupier of the property concerned, shall be liable for such charge for that year up to the amount of the rent due by him but not yet paid.						
		The persons referred to in (a) and (b) above shall be liable for the charge jointly and severally with each other and with the owner primarily liable. No legal proceedings shall be instituted against any person referred to in (a) and (b) above for the recovery of the charge unless and until a demand in writing shall have been served upon him requiring him to pay the amount stated therein within fourteen days of the service thereof.						
3.2		<u>Sewer Connection</u>
