Buffalo City is this morning – proudly hosting a delegation from Lao People’s Democratic Republic on a study tour to the Municipality.

The study tour is part of a comprehensive capacity building programme “Strengthening Environmental Management Phase II” Supported by the Swedish International Development Agency (Sida).

The tour kicks off with Breakfast with the Executive Mayor Zintle Peter at the City Hall and will include site visits, presentations and a dinner later on this evening.

The 13 member delegation will be hosted until September 26 and the they are also scheduled to meet with the provincial government this week (programme attached)

The delegation will comprise 12 government officials from Lao PDR and a Technical Adviser. The delegation will be headed by the Vice Minister to the Prime Minister's Office and Deputy Head of WREA, Mr Noulinh Sinbandhit.
