- Integration of 3 new assembly lines
- New Marriage Station, Automatic application cells (DVD, MFW, Roof etc.)

## New Paintshop

- New topcoat and polish lines & introduction of new paint application technology
- Revitalisation of the balance for 2030+

# GLT Logistics Warehouse

Status: Complete

An aerial photograph of a large industrial facility, likely a warehouse or logistics center. The main building is a long, rectangular structure with a grey roof and a light-colored exterior wall. The number '34' is visible on the side of the building. To the left, there are several smaller buildings and a parking lot with several cars. In the background, there are large white storage tanks and a body of water under a blue sky with light clouds. A black text box is overlaid on the center of the image, containing the text 'KLT Logistics Warehouse' and 'Status: Complete'. A small number '2' is also present in the text box. A green line points from the text box to a small white square on the building's exterior wall.

# KLT Logistics Warehouse

Status: Complete

2

An aerial photograph of a large industrial facility, likely a Mercedes-Benz factory. The main building is a long, low structure with a grey roof. A section of the building's exterior wall is highlighted in a bright green color, indicating a new or completed section. The Mercedes-Benz logo is visible on the side of this highlighted section. In the foreground, there are several large white cylindrical tanks and a parking lot with several cars. The background shows a cityscape under a clear blue sky.

# New Body Sorter

Status: Complete
