## 1. INTRODUCTION AND OVERVIEW

### 1.1. EXECUTIVE SUMMARY

The Buffalo City Development Agency (BCDA) as a section 21 company of Buffalo City Municipality has been tasked to coordinate the implementation of development including its Spatial, Infrastructure, Economic development through a Memorandum of Understanding between BCM and BCDA.

During 2006/07 the Agency has developed the Beachfront Local Spatial Development Framework (ELSDF) and identified precincts within the study area where more detailed Urban Designed Plans were produced. The ELSDF was to produce an overall strategic assessment of land within the mandate area of the BCDA, as well as a more detailed Framework for the East London Beachfront. The Framework plan is a guide to advance and leverage the potential investment opportunities within our mandate area. This is one of the critical milestones achieved by BCDA as the end product has now been adopted by the Board and is awaiting BCM council approval. The conditions of the Memorandum of Understanding (MoU) between BCDA and BCM is to ensure that all investments are compliant with National Government of the Broad Based Black Economic Empowerment.

#### Buffalo City Development Agency – Mandate Area

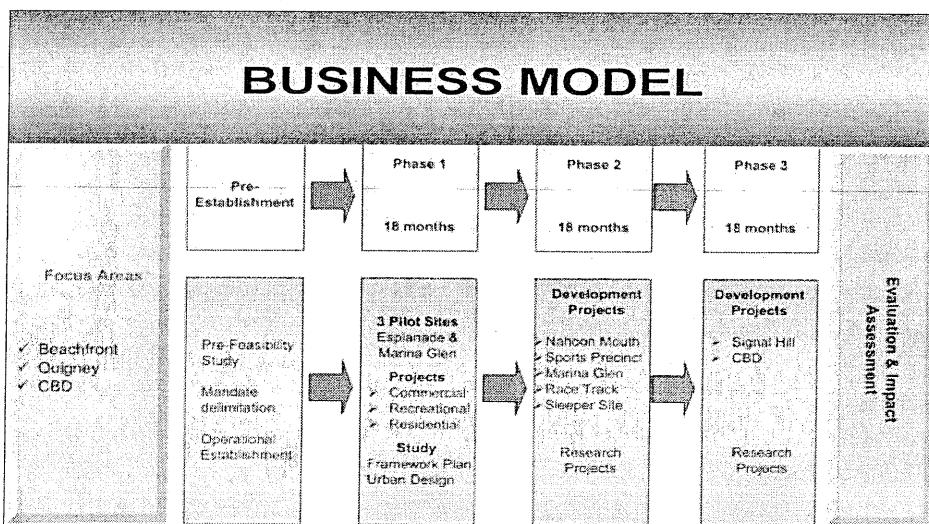

The BCDA is established on a three (3) phased model which is the pre-establishment phase, establishment phase and operational phase and is currently in its operational phase. The

business model of the Agency outlines a sequence of symbiotic activities in their chronological order. The model indicates the mandate, phases, activities and timeframes for implementing the development projects in the area. This model is linked to the new political term of the Buffalo City Municipality Council (2006-2012).

#### **BCDA Business Model**

#### **Vision**

A vibrant Development Agency that seeks to change the face of Buffalo City Municipality through sustainable Socio-Economic Development

#### **Mission**

Increase prosperity of the Buffalo City Municipality and its citizens, through identification of under utilized property and facilitation of development partnerships involving the Municipality, Business and the Community.

As a means of achieving both vision and mission, the following lived values would form the basis of the prescribed and accepted work ethic within BCDA:

#### **Values**

The BCDA upholds the following fundamental values as pillars for success and development:

- Integrity;
- Transparency;
- Equity;

- Sound Administration and Finance;
- Inclusiveness;
- Responsiveness;
- Partnerships; and
- Batho – Pele Principle.

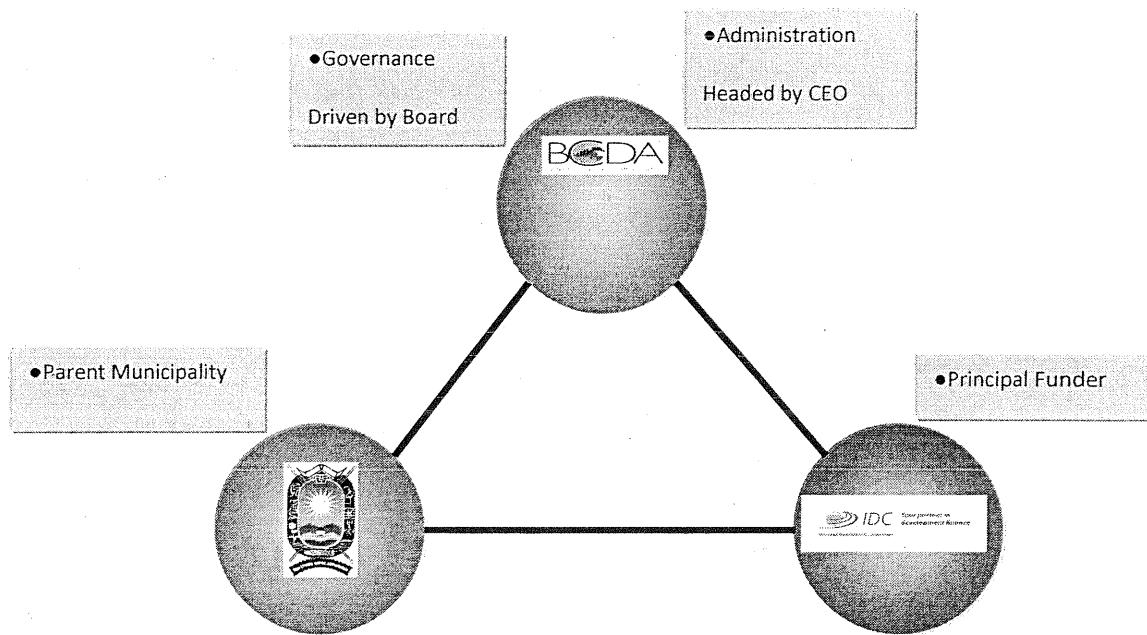

### **Ownership and Management Structure**

The BCDA is wholly owned by the BCM. Its establishment is supported by the Industrial Development Corporation (IDC) and the BCM. The Agency is governed by a Board of Directors, appointed in terms of section 93E of the Municipal Systems Act, 2000.

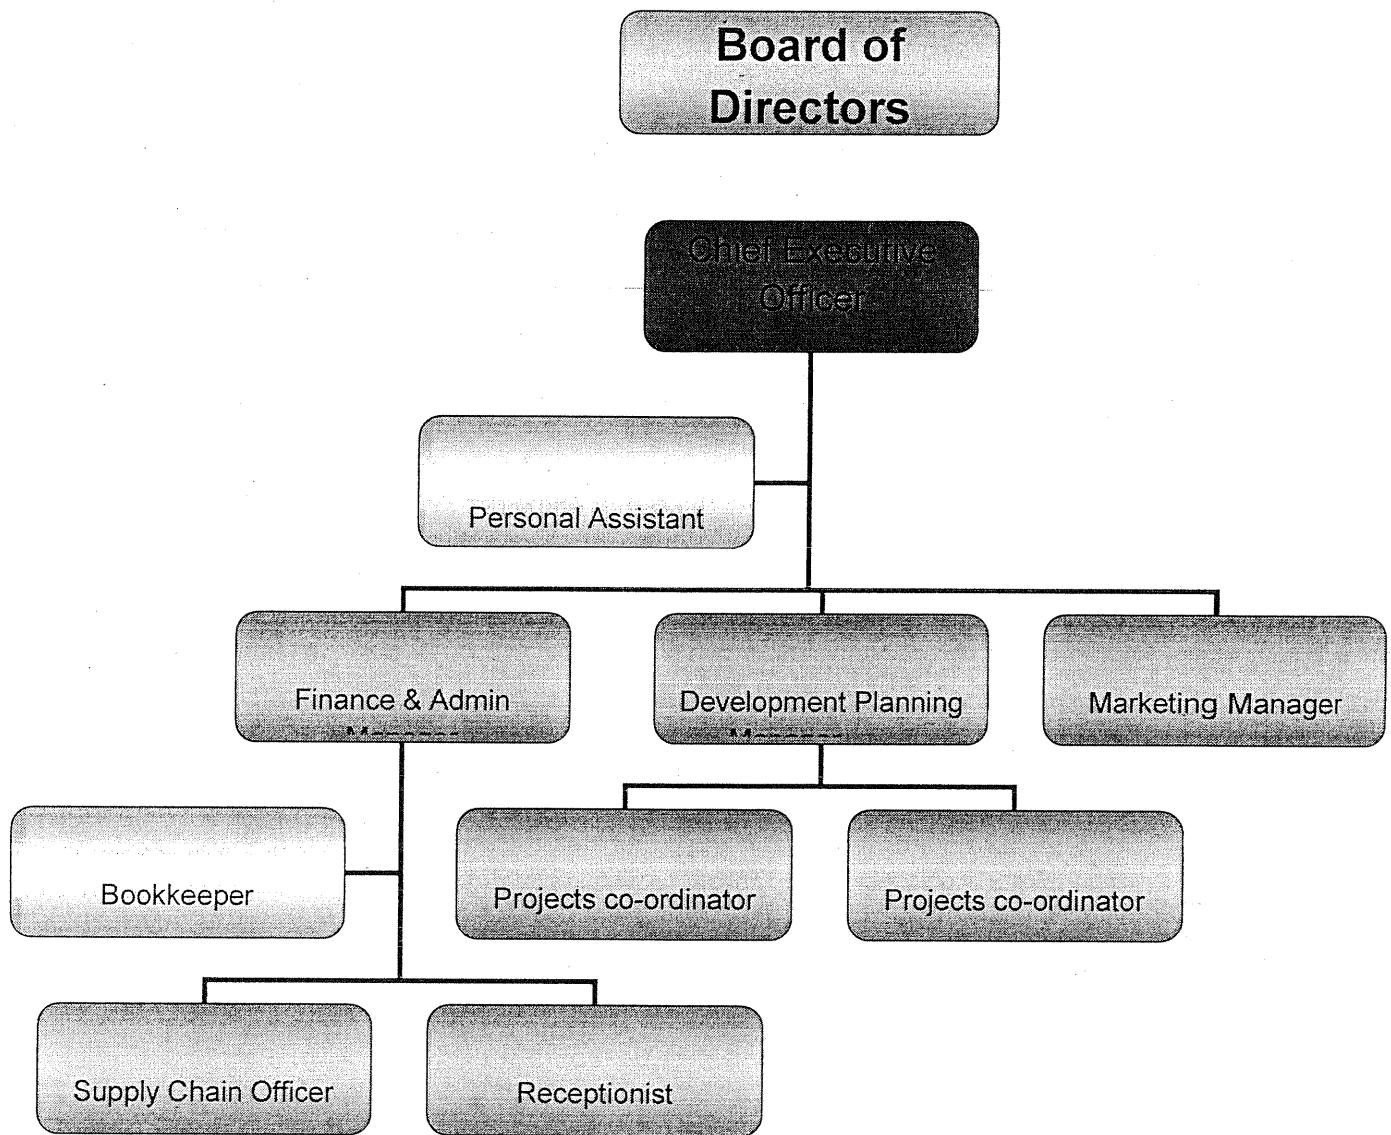

The BCDA is managed by a Chief Executive Officer (CEO), who is appointed in terms of section 93J of the Municipal Systems Act, 2000. The CEO is accountable to the Board of Directors for the management of the Agency, and is supported by the following key functionary incumbents to perform the Agency's mandate:

- Financial Manager;
- Development Planning Manager; and
- Marketing Manager.

## BCDA Organogram

## Management

The BCDA is led by a team of professionals in the fields of business, administration, finance, marketing and development planning.

| Position                  | Black | White | Female | Male |
|---------------------------|-------|-------|--------|------|
| Chief Executive Officer   | X     |       |        | X    |
| Finance and Admin Manager | X     |       | X      |      |
| Marketing Manager         | X     |       | X      |      |
| Development Planner       | X     |       | X      |      |
| Administrator             | X     |       | X      |      |
| Receptionist              | X     |       | X      |      |
|                           |       |       |        |      |

## GOVERNANCE SYSTEM

The BCDA operates under the auspices of good governance practices and it draws its systems from international and national best practices such as the King II Report on Corporate Governance, the Norlan Commission Report, Public Service Charters etc.

The BCDA Governance System is driven by the values and principles of organisational integrity, ethics, transparency, people focus and cost efficiency. In the implementation of its governance responsibilities, the Board of Directors is supported by the Audit Committee.
