c		In the event of a special water rate being levied, consumers in this category will also be subject to provisions of such special rate and shall pay a levy equivalent to such water rate.						
d		The provision of water supply from the Municipal mains to a single property outside the municipal area will not be extended to any subsequent subdivision of such property; separate application will have to be submitted in respect of each such subdivision.						
e		The water supply will otherwise be provided in accordance with this Tariff and in terms of the Council's Water Services By-Law, promulgated under <u>Provincial Gazette, Extraordinary Notice No. 2532 dated 22 March 2011</u> , as amended.						
2.6.5		Multi-Unit Development						
a		All Holiday Flats, time share units, bulk metered home owners associations, occupational units and institutions may be bulk metered. In such cases the consumption to these complexes will be measured by a bulk meter / meters and each unit charged an unmetered unit service charge.						
b		In circumstances where the use of individual meters in a multi-unit development is not practical, the Director of Engineering Services may upon receipt of a written application from the owners, submit a report to Council setting out the reason(s) for a waiver to be granted to this requirement of the Water Regulations.						
c		Existing multi-unit developments that do not have individual meters and would be expensive to convert, and any multi-unit developments granted a waiver in terms of (b) shall pay the normal monthly service charge multiplied by the assessment number of units as if the complex was individually metered. * Current regulations require all new multi - unit developments to be individually metered and existing multi-unit developments to be converted to individual metering.

3.1.4		General In respect of properties and/or additional facilities which are connected to the Council's Drainage Scheme, the charge shall be the pro-rata amount of the annual charge levied according to the month during which it was connected. Such charges shall become due and payable within thirty (30) days from and after the date upon which the property and/or additional facility was connected to the Council's drainage system. In respect of connections for special conveniences during building operations, the charge shall be payable in advance. When the service to a property is disconnected, either wholly or partially, with the prior written consent of the Director of Engineering Services, the charges shall be adjusted proportionately on a monthly pro-rata basis and will exclude the month during which the disconnection is made. This will only apply provided the application is made in writing by the owner of the property within three (3) months from the date on which the service was disconnected In regard to the availability charges levied in terms of 3.1.2.n , where the service is connected to a property, the annual charge levied shall be adjusted proportionately on a monthly pro-rata basis, provided the application is made in writing within three (3) months from the date on which the service was connected. If the abovementioned requirements are not complied with by the owner of the property concerned, adjustments of the charges will only be made with effect from 1st July of the year following the date on which written notification is given by the owner or his agent.

		<p>In the case where any charge made or levied shall remain unpaid after three months from the date fixed by the Council for the payment thereof, interest thereon shall be charged and recovered by the Council for each month for which such charges remain unpaid. For the purpose of calculating interest, part of a month shall be deemed to be a month. The registered owner of the property in respect of which sewerage and sanitation charges are payable shall be primarily liable for payment thereof. If on the expiration of three (3) months from the date on which the charge became due and payable, the owner primarily liable has failed to pay such charge a demand in writing shall be served on him requiring him to pay the amount stated therein within fourteen days of the service thereof. Should the owner primarily liable for the charge fail to comply with the said demand, any person who at any time during the year for which the charge is due:</p> <p>(a) Becomes the subsequent owner of the property concerned shall be liable for the charge for that year.</p> <p>(b) Is or was the occupier of the property concerned, shall be liable for such charge for that year up to the amount of the rent due by him but not yet paid.</p> <p>The persons referred to in (a) and (b) above shall be liable for the charge jointly and severally with each other and with the owner primarily liable. No legal proceedings shall be instituted against any person referred to in (a) and (b) above for the recovery of the charge unless and until a demand in writing shall have been served upon him requiring him to pay the amount stated therein within fourteen days of the service thereof.</p>

22		<u>SCIENTIFIC SERVICES TARIFF CHARGES</u>						
22.1		<u>General</u> Where appropriate, a company order must be supplied when submitting the sample(s) In all cases, full details must be furnished as an account will be posted. If special or non-routine sample preparation is involved, and / or further investigation work is required for the report, an additional charge based on the time and materials is applicable. Reports will be posted on completion. Reports can be faxed at the standard General Tariff. While every effort is made to expedite analyses, no firm undertaking can be given regarding a completion date as this may be subject to factors beyond our control. Acceptance of samples for analysis is subject to the client's acceptance of this condition.
